CHOOSE LIFE ■ DEFEND LIFE

This year we are designating 100% of net proceeds toward the Knights of Columbus Ultrasound Program. This gives a woman a “window into the womb” with the ability to see her unborn child, hear his or her heart beating and recognize the miracle of life within her, in the hope she chooses life.

Please make checks payable to Knights of Columbus Council 11386. If you have questions, contact Jim Gallombardo at 732.310.2984 or gallombardo@yahoo.com. Custom sizes or other evergreen arrangements upon request.

Please email completed form to Jim or put into the collection basket by November 14th
